

To Whom It May Concern:

I have known Mike Lukehart for over three semesters at my school, Sheridan Elementary in Lincoln, NE, where I have been the physical education specialist for almost 29 years. He has taken care of my office and storage areas and the gym on a daily basis and has gone out of his way to do the little extra things that keep them looking their best. People who see our gym for the first time are amazed at how clean and good it looks and are surprised to learn that it is over 16 years old. It looks almost brand new thanks to Mike's hard work and dedication to it.

Mike is also a good friend and colleague. He has a wonderful sense of humor and is always ready for a laugh. He cares about his work and he does it well. I am terribly disappointed that he has decided to move on and not continue working at our school, but I know that he will find success in his new endeavor. I wish him well and will continue to be his.

Sincerely,
