

KONICA MINOLTA

March 12, 2008

To whom it may concern,

Mike Lukehart took over the cleaning contract of our business about 4 months ago. He has provided us with high quality services for our office, we have a 11,000 sq foot building, with excellence. We have been very happy with the quality of service and the way he quickly took over our cleaning contract with no transitional concerns.

I would high recommend Mike's Cleaning Service to any company who is looking for a quality service and a quality rate.

Please feel free to call me if any further questions arise while your company thinks about contracting Mike for his services.

Sincerely,

Don Van Arsdall
