To Whom It May Concern:

I want to express my wholesale support for Mike Lukehart as a colleague and former Lincoln Public Schools staff member. In my six years at Sheridan Elementary as a teacher and my previous eight years as the parent of children who attended this school, no custodial supervisor has even come close to Mike. Not only was his own work exemplary, but Mike ensured that his staff's work went above and beyond what could be expected of custodial staff.

In addition, Mike was unfailingly supportive of his fellow staff members at school. He was always willing to help, and he fulfilled his duties in a positive manner that set an example for his peers. He will be greatly missed at Sheridan, but our loss will definitely be someone else's gain. Please do not hesitate to consider him for your business or home.

Sincerely,
