

February 10, 2010

*It was a pleasure to have worked with Mike Lukehart at Sheridan Elementary School from July 2008 to December 2010. While working at Sheridan as building superintendent, Mike was responsible for the over-all maintenance and cleanliness of the building and, more specifically, oversaw and cleaned the area of the building which included the music room.*

*During his time at Sheridan, I found Mike to be extremely responsive to my requests for assistance whether the request was made 2 weeks in advance, 2 hours in advance or immediately. His attitude was always positive towards the requests I made and I saw him approach his responsibilities with professionalism and dedication to a job well done. He was always very accommodating and kept the music room cleaner and more sanitary than it had ever been during my 12 years of teaching there.*

*It has always been important to me to work with individuals who are dedicated to their responsibilities and willing to go above and beyond what was expected. I saw Mike as one of these kinds of individuals. Having been a teacher for 34 years and having taught in many different buildings, I can honestly say I have never had the opportunity to work with such a dedicated, friendly, helpful and personable group of custodians as Mike was able to assemble while working at Sheridan. His leadership and dedication to the health and well-being of students and staff was admirable and gain him the respect of many who worked with him.*

*Sincerely,*
